You're Invited...National Teleseminar on Political Responsibility
Monday Night, Oct. 27, 9pmET

October 20, 2008

Dear Father,

I invite you, your staff and your parishioners to join me for an election-related teleseminar-webcast on Monday, October 27 from 9 to 10pm Eastern Time. Clergy and laity from coast to coast will be joining me and an expert panel to receive practical information and inspiration to become involved and make a difference in our national elections. This is our fifth such teleseminar and being only days from the elections, will be the most important.

The discussion will include what parishes can do to prepare for the elections as well as what families and individuals can do. Please see www.priestsforlife.org/elections/parish.htm for some of the ideas that we will be discussing. One of our expert panelists will be David Barton, President and Founder of Wallbuilders. In the past we have had such guests as Congressman Chris Smith, Senator Sam Brownback and Dr. David O'Steen of National Right to Life.

You may listen to the teleseminar either by phone or through your computer, where you will also be led to key documents you can download. The instructions are simple. To sign up for the teleseminar, go to www.priestsforlife.org/conferencecall/index.aspx. From that page you can also listen to our prior teleseminars or read transcripts of them. After you sign up you will receive an email with the teleseminar web link (if you intend to listen on the web) and the phone number and passcode (if you intend to listen by phone).

Sincerely,

Fr. Frank Pavone
National Director, Priests for Life
